## Pastor's Message

Summertime, with its warm temperatures, long sunny days, home-grown berries and veggies, trips to the lake or a trip to the garden, family unions and vacations, is a time to slow down and see God's presence.

*Holy Ground*, written by Veronica Koperski, reminds us that when we see and experience God, it is of God's doing.

### Holy Ground

I shall seek no longer for the burning bush;  
all bushes are ablaze.

And I will not hasten to depart  
from daily grief and gladness  
to climb a holy mountain;  
every mountain now is sacred.

Each market place and every home,  
all, all are blessed  
since God has pitched a tent among us.

## Pastor's Message Continued . . .

Now on our earth path are we to be found  
the footprints of Word made flesh  
who walked with us  
in wind and rain  
and under sun and stars,  
in joy and sorrow,  
born of Mary,  
watched over by Joseph  
eating and drinking,  
living and loving,  
dying yet living,  
the Word made flesh.

All, all the earth and each of us  
is holy ground  
where we must slip  
our sandals off  
and walk softly  
filled with wonder.

May you experience God's presence  
and be in awe and wonder this summer.

Pastor Michelene Verlautz

But who are we, Lord,...  
that we should be able  
to make this freewill offering?  
For all things come from You,  
and of your own have we given You.  
—1 Chronicles 29:14

### June 5, 2016 Retreat

**The ERLC Council** held a retreat on June 5, 2016, to review, study and develop knowledge in the understanding of the ERLC Constitution. One result of this study was that the current Council Membership is short one member.

After receiving a list of candidates from the ERLC Nominating Committee, the ERLC Council elected John Natwick for an At-Large, Six-Month Term Council position.

Another topic of discussion was the need to extend the guidance of the Constitution by developing By-Laws.

## Announcements

### The Many Faces in the Church Office: God's Work, Our Hands

**What a blessing** it has been to have volunteers in the office helping with various tasks, such as folding the bulletins, answering the phone, and greeting people. As I am only part-time it has enabled me to stay on in my role as Communications Specialist. My primary focus is the communications areas for our congregation (information flow, projections, newsletter, advertisements, website, etc.) and I will continue working in those areas for the immediate future.

If you drop into the office, here are some of the faces you might see: Lorie Schulstad-Werk, Shirley Schmidt, Linnae McRae, Sharon Emerick, Kelly Otto, Kim Hauger, Jodi Rosati, Emily Rosati, Jackson Rosati, Diana Schansberg, Diane Harding, Karen Froelich, Marjorie Zacharda and Phyllis Lehrke. A very special thank you to each of these people for their assistance and willingness to help.

If you are interested in helping out, please contact the church office (763 595-1216). Hours that need to be covered are Mondays (9-noon & 1-4 pm), Tuesdays (1-3 pm) and Thursdays (9-noon & 1-4 pm). Bulletin folding is on Thursday mornings at 10am; a crew of five or six people can finish the task in about half an hour. We are hoping to rotate volunteers, so it is not too much for anyone.

Service activities offer an opportunity for us to explore one of our most basic convictions as Lutherans: that all of life in Jesus Christ – every act of service, in every daily calling, in every corner of life – flows freely from a living, daring confidence in God's grace.

## Confirmation Camp

What a great experience it is to be at camp with the confirmation youth and Pastor Michelene! Watching the kids sing and celebrate God, nature and all things related to camp was amazing. I was reminded of this Bible verse while I have been at camp. ***Don't be afraid for I am with you. Don't be discouraged, for I am your God. I will strengthen you and help you. I will hold you. up with my victorious right hand. —Isaiah 41:10***

The confirmation youth had a wonderful time at camp, and all of them want to come back next year. The focus of Camp Onomia this summer is *love like Jesus*. They heard stories about Jesus helping others, and seeing that He is with us always, and we are to be helpers for Christ.

Here are some quotes from the Pioneers and Explorer campers:

Samantha "I like swimming and everything else about camp!"

Anika "I like the games."

Audrey "Making new friends is what I like about camp."

Alana "Meeting new friends!"

Hunter "Making a lot of new friends!"

Oliver "I like swimming at camp!"

Hannah "Everything about camp is great!"

Alissa "I like staying at the cabins!"

Jagger "I like the canteen and the games."

Henry "My favorite part of camp is having Laura here with me!"

Grace "Meeting new friends and celebrating my birthday at camp!"

Camp = Summer Fun

Camp = Friends and Smiles

## Mission Works

We were very busy with our first Mission Works event, partnering up with Elk River Park and Rec and cleaning up Orono Beach. It was great to watch all of the youth pitching in cleaning to make a difference in our local parks. We were also blessed to have Home Depot with our youth and teach them about tools. Each person made their own individual project to take home. We have one event in the books and two more to go.

To register for these events, you can stop by church or download a registration form from the ERLC children, youth and family page on our web site. Our next event is scheduled for July 27. We will be playing bingo at Guardian Angels and working at CAER. All are invited to attend, but you must be registered ahead of time. The registration deadline for that event is July 17.

## Colorado Trip

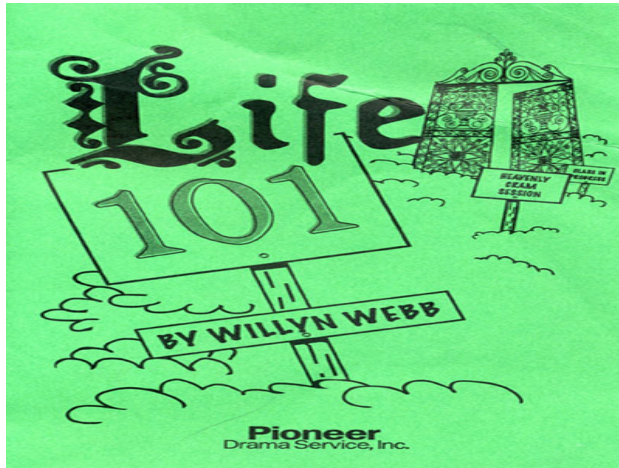

Please pray for us as we depart for Sky Ranch Camp in Colorado to see what God has planned for us up on the mountain top. We will be leaving on July 9 and returning on July 16.

## Call Committee Update

The Call Committee recently concluded a second successful interview with a candidate for the solo permanent Pastor position of Elk River Lutheran Church. The questions, answers, insights and even a little humor from both sides helped both the candidate and this Committee agree to continue moving forward. As our Committee is entrusted with recommending a call to our Congregation, we felt it important to brief the Church Council next, which our liaison, Greg Pouilot, did on June 21.

We understand you are curious and want to know more about this candidate. We too want to share more specifics about this outstanding individual; however, we again ask for your patience in that there are clear rules and guidelines that we must follow. Until we have completed each of the required steps, we can only share what the Synod allows.

One of the next steps includes an upcoming “Meet and Greet” visit with the candidate and family with the Call Committee, Church Council and staff. Other necessary and required confidential steps in the selection process continue. The Call Committee is optimistic that the Church Council will approve a recommendation of extending a call to this candidate. Assuming Council approval and candidate agreement to be formally called, the process will include a three consecutive week notification of a Special Called Congregational Meeting. At this Special Meeting, our congregation will have the opportunity to vote on the candidate as the first called Pastor of Elk River Lutheran Church.

We will continue to do our best to ensure we keep you updated on a timely basis and as always if you have any questions feel free to ask any of us on the Call Committee.

## Keeping in Touch

Sending a letter is the next best thing to showing up personally at someone’s door. Ink from your pen touches the stationary, your fingers touch the paper, your saliva seals the envelope. Something tangible from your world travels through machines and hands, and deposits itself in another’s mailbox.

Your letter is then carried inside as an invited guest. The paper that was sitting on your desk, now sits on another’s. The recipient handles the paper that you handled. Letters create a connection that modern, impersonal forms of communication will never approach. —Brett and Kate McKay, “The Art of Letter Writing”

*Is there someone you know who might like to receive a letter?*
